

Student Satisfaction with the CPS

Grimes, C., Rogers, G. J., Volker, D., & Ramberg, E. (2010). Classroom performance system use in an accelerated graduate nursing program. *CIN: Computers, Informatics, Nursing*, 28(2), 79-85.

7 Items

Dimensions are not defined

1. When comparing this classroom experience with others, is the CPS an effective learning tool?
2. Are you more alert in lecture/seminar?
3. Do you participate more in lecture/seminar sessions with CPS?
4. Does CPS make lectures/seminars more enjoyable?
5. Would you prefer seeing more random CPS questions with each lecture/seminar?
6. Do you feel that CPS use has helped you prepare for NCLEX?
7. Did CPS influence your attendance?

3-point scale (Yes, No, Same)
